

Your New Home

Starting university for many people means moving out for the first time. While this is an exciting experience we understand it can also be a daunting one. So, we are here to help make the transition go as smoothly as possible.

Our university-managed accommodation is situated across our Chichester and Bognor Regis campuses as well as in the city of Chichester. We offer rooms to suit all budgets and lifestyles including catered or self-catered, ensuite or shared facilities and on or off campus.

Our accommodation varies from on campus traditional student halls of residence to new student accommodation villages in the centre of Chichester. Our halls of residence and University accommodation are professionally managed, secure and supported by our team in the Accommodation Office 24/7.

All of our rooms and facilities are comfortable and well equipped, we also include internet access, heating, electricity and basic contents insurance in the rent. Please see our website for further information on the internet access supplied in our bedrooms and whether the connection is Wi-Fi only or wired (via an ethernet port) and Wi-Fi.

We are confident that you'll find a room and options that suit you.

All our accommodation is professionally managed to the ANUK Code of Standards

“I lived in Harting Hall which is an on-campus, en-suite self-catered room. It was really handy for getting to morning lectures, I would be able to enjoy a coffee in my PJs until about 10 mins before! The rooms are a good size and it is a brilliant hassle-free base to have. I really enjoyed meeting my roommates and although not on the same course, I'd hope to stay in contact with them throughout my time in uni and beyond.”

Prices and accommodation choices

Please take the time to view all our accommodation types to see which one would best suit your needs and lifestyle.

We would encourage visiting the campus and viewing our accommodation options in person at one of our Open Days. If you are unable to attend these dates then you can book a campus tour with one of our student ambassadors.

View the options to visit at: [Visit Us](#)

While every effort is made to open rooms, throughout the year students are living in the accommodation, so it might not be possible to view all accommodation types at the time of your visit. However, we do have virtual tours of all the room types available on our website.

You can also watch video tours given by a student on our YouTube channel:

Or visit [University of Chichester](#) and click on playlists, then accommodation tours.

“I loved living at Stockbridge student halls. It’s a social hub with around 400 students living there. It helped me make friends so quickly and I always loved chatting with people on the walk up to uni.”
